

# SDG 6 INDICATOR WEBINARS

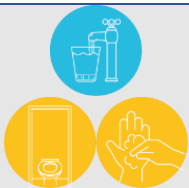

How are we doing on SDG 6 to ensure water and sanitation for all by 2030? Where is the progress being made? How can we accelerate efforts?

Join us for a series of webinars looking at the latest data for the SDG 6 global indicators.

The webinars are multilingual and scheduled to suit different time zones and will run **14-30 September 2021**.

You can join the webinars directly by clicking on the below links, or [register here](#) to receive a reminder before they start.
